

ISABELL, BRADY TITUS

November 18, 1919-January 10, 1933

Sincerest sympathy goes to the family of Mr. and Mrs. Sam Isabell for the death of their thirteen year old son Brady, which occurred Monday afternoon at the family home. Brady had the flu which was followed by an attack of St. Vitus dance. He has suffered terribly. It took the combined strength of four men to keep him in bed during his worse suffering. He was a cheery, happy little man. He assisted Jim Jesen deliver milk on his route and his happy whistle and greeting will be missed by all the patrons.

Funeral services are in the hands of the Lyla Watson Funeral Home and are not yet completed. Mrs. Isabell was called to Nebraska by the death of her mother so the blow is a double one to her.
